HEALTH INFORMATION TECHNOLOGY (HIT) | ⚲ ONLINE

Admission Requirement

Placement Assessment.

All students must achieve a minimum reading level prior to being accepted. Requirements may be satisfied by high school coursework completed in the past five years, college courses or completing one of the following placement assessments: ACCUPLACER®, ACCUPLACER NEXT GENERATION®, or ACT®. Students should submit their high school or official college transcript or assessment results to the Admissions Office for consideration of an assessment waiver. The placement assessment must have occurred within three years of your application date. HIT applicants must meet one of the following minimum requirements for reading placement:

Reading	
ACCUPLACER®	70
ACCUPLACER NEXT GENERATION®	250
ACT®	19

Admission Status

Pending Requirements.

Students with a pending requirements status have submitted an application to the HIT program but have not satisfied the admission requirement outlined above. Students with a pending requirements status are not accepted into the HIT program until the reading requirement has been satisfied.

Accepted.

The HIT program begins in the fall. Students who have satisfied the minimal reading requirement are accepted to the HIT program and can register once registration becomes available.

Program Costs	HEALTH INFORMATION TECHNOLOGY	
Tuition/Fees	$15,260 in-state*	$17,232 out-of-state*
Background Check / Drug Test / Supplies		$112
