

NORTHEAST IOWA COMMUNITY COLLEGE

Automotive Technology Early Admissions Academy

Instructor: Dennis Bolsinger / Todd Hills Credits: 27 Location: Calmar, IT Building Entry: Fall Semester

The Automotive Technology Early Admissions Academy is designed for students who are detail-orientated, enjoy working in hands-on environments, and can troubleshoot complex mechanical problems. The academy consists of a year-long sequence of concurrent courses that can be used toward degree completion in the Automotive Technology program.

ACADEMY CHECKLIST

Orientation

- Attend a mandatory orientation to meet your instructor(s) and learn student expectations.
- Discuss program logistics with Kelli Smutzler, Enrollment Advisor for the Automotive Technology Program.
- Contact Kelli at smutzlerk@nicc.edu or 844.642.2338, ext. 1214.**

NICC Student Accounts

- Log in to your MyCampus account.
- mycampus.nicc.edu**
- In MyCampus, search for Brightspace. Log in to Brightspace to access your course(s).

College and Career Connection

- Complete the College and Career Connection application to participate in Career Exploration and Work-Based Learning events.

Meet with Your College and Career Coach

- Assist you with accessing your student accounts and college resources.
- Confirm your enrollment in the upcoming semester's academy course(s).
- Discuss program completion opportunities and Iowa's Last-Dollar Scholarship.
- nicc.edu/scholarships**

Work-Based Learning

- Participate in Work-Based Learning opportunities during spring break.

Academic Performance

- Review the course syllabus on Brightspace.
- Maintain a cumulative 2.0 grade point average.
-

REMINDERS:

- **Transportation.** You are responsible for travel to and from academy courses.
- **Academic Calendar.** Your course(s) will follow the College's academic calendar for start/end dates and breaks.
- **Weather & Campus Closure Policy.** Understand your instructor's inclement weather and cancellation policy.
- **Student Accounts.** Log in to MyCampus > Self-Service to access your personal account information.
- **Registration Deadlines.** Be aware of your school district's registration timeline.
- **Textbooks & Supplies.** Confirm with your counselor what textbooks and supplies you are responsible to obtain for your course.
- **Withdrawal Policy.** Know the College's last day to withdraw from your course(s) and related high school policies.
