Dubuque Hempstead High School

**and**

**Northeast Iowa Community College**

**I. Statement of Purpose**

The purpose of this articulation agreement is to provide a mechanism that will enable students enrolled in career and technical and/or applied academic high school courses to transfer to Northeast Iowa Community College and receive college credit for competencies achieved.

**II. Criteria for Receiving Articulated Credit at Northeast Iowa Community College:**

1. School district has a signed course articulation agreement with Northeast Iowa Community College.
2. For high school students to receive articulated credit:
  1. An official high school transcript and a Request for Articulated Credit Form must be provided to the NICC Registrar.
  2. Students must attend NICC within 12 months of high school graduation to be eligible for articulated credit.
  3. Credit will be entered on a NICC transcript after the student has accumulated 12 NICC credits post high school or GED.
  4. Articulation Agreements for AGA117, AGS118 and AGB328 require passing an end of course assessment.
  5. Articulated credit is given for NICC career and technical program classes, not 4-year college transfer courses.
  6. Articulated courses do not contribute to the student's NICC grade point average, but do satisfy specific career program requirements.

**III. Recording of Credit**

Credit(s) for articulated high school courses will be recorded on the college transcript as transfer coursework with the total hours earned. The grade is not recorded and will not be used in computing the student's cumulative college or program GPA.

**IV. Cost**

There will not be a charge for college credit awarded through this agreement.

**V. Admission to the Program**

Students completing the requirements outlined in this agreement will be considered for program entrance on the same basis as any other applicant.

**VII. Termination of Agreement**

This agreement will be renewed annually and is valid July 1, 2018- July 1, 2023. This agreement becomes null and void upon termination of the secondary/postsecondary program.
