50	24	580	High school cumulative GPA 2.80 or above; and Completion of Algebra I and Algebra II with C- or above; or Previous AA or AS degree attainment	MAT:130 Trigonometry
55	22	540	High school cumulative GPA 2.80 or above; and Completion of Algebra I and Algebra II with C- or above; or Previous AA or AS degree attainment	MAT:128 Precalculus
75	26	610	High school cumulative GPA 2.80 or above; and Completion of Precalculus with C- or above	MAT:210 Calculus I

ALEKS® Math: Must complete at least five hours in the Prep and Learning Module (PPL) prior to taking a subsequent assessment. Students may retake ALEKS up to four times during the twelve months that the PPL module is active. A \$15.00 fee is charged to the student whose ALEKS account is no longer valid.

Improving Scores. You have the option to retake the assessment if you feel your initial score could be improved. Students are strongly encouraged to seek assistance from one of the College's Learning Centers or utilize online resources at www.nicc.edu/courseplacement

Armed Services Vocational Aptitude Battery (ASVAB): Please contact a NICC Admissions or Advising staff member to see how an ASVAB score may qualify for course placement.

Program Admission Requirements: Programs may have specific admission requirements in reading, writing or math. Contact the Admissions Office for more information; 844.642.2338, ext. 2700
