8:30-10 AM

1-2:30 PM

### CAMP SCRUBS 101919

*Gundersen Palmer Lutheran Hospital & Clinics*

Scrub up and enter the world of medicine. Learn about many fields in healthcare from the experts at Gundersen Palmer Lutheran Hospital & Clinics. Discover what it takes to be a nurse, paramedic, respiratory therapist and a radiologic technologist. Learn about the real world of healthcare with hands-on experience.

### ENGINEERING CHALLENGE 101918

*Michelle Nystel, Turkey Valley Community Schools Teacher*

Engineers are GREAT problem solvers and innovators! Use your creativity to design, build and test solutions for a variety of challenges. Using robotics will increase the creativity and fun!

### FITNESS AND FUN 101917

*Decorah Parks and Recreation*

Spend time outside with your friends (weather permitting) playing sports and outdoor activities like soccer, kickball, football and more favorite games. We will focus on skill work, working as a team and fun! If you enjoy playing outside, smiling and playing team games that you will want to keep playing the rest of the summer... this is the session for you.

10:30 AM-NOON

3-4:30 PM

### LEGO® MANIA 101920

*Ana Olson-Johnson, South Winneshiek Teacher*

Unleash your creativity and engineering prowess in our LEGO® building class. Dive into a world where building blocks become the foundation of your imagination. See if you can complete some LEGO® challenges and become a LEGO® Master Builder!

### NAVIGATING NATURE 101921

*Winneshiek County Conservation*

Embark on an awesome outdoor adventure! Become a real-life explorer as you learn to find your way in nature. We'll use cool tools like compasses, GPS and maps to seek hidden treasure and discover amazing natural wonders right in our own backyard!

### SMALL ANIMAL CARE 101922

*Ed Wadsworth, South Winneshiek Teacher*

Rabbits, chickens, goats, hedgehogs and more! If you love animals, this session is for you! Learn about animals and how to care for them.

### BEAUTIFUL YOU INSIDE AND OUT 101925

*Janice Ollendick, Cosmetologist*

This fun workshop offers a chance to learn about fashion, exercise and hair and skincare. You'll get to practice safe manicure and pedicure steps and try hairstyles. We'll also stress that appearance is only one part of your health and wellness.

### OUTDOOR CREATIONS 101924

*Gina Mashek, NICC Staff and Craft Extraordinaire*

Get ready to get crafty! Do you love making things? Then this class is for you! We'll be building some awesome creations for your yard, like bird feeders and stepping stones! It's going to be a blast!

### PAINTING WITH BLEPTA STUDIOS 101923

*Sara Neuzil, Blepta Studios*

Let's explore the world of painting! We supply the paint and you supply the creativity. Learn the basics of painting, such as colors, brushes, techniques and more. The results are sure to bring a work of art you can take home and display!

### KIDS IN THE DAIRY BARN 101927

*Iowa's Dairy Center*

Cows are cool! Spend a week getting to know our cows at Iowa's Dairy Center on the NICC campus. You'll have hands-on experience learning about cows and the dairy farm of the future. Enjoy activities in the barn, watch cows be milked by a robot and top off your "moo-ving" week by making homemade ice cream!

### IT'S SEW FUN! 101926

*Janice Kuboushek, Crafter Extraordinaire*

Sewing... it's easy to learn and it's "sew" fun. We'll show you hand-sewing techniques and introduce you to a sewing machine. You'll make a project in class that you get to take home!

### WATER ROCKS 101928

*Delaney Holthe, ISU Extension*

Do you love games and activities? Dive into the fabulous world of wetlands and learn the power of pollinators through lots of interactive games and activities.
