

## CAREER PATHWAY CERTIFICATE (CPC)

### Admission Requirements

- Attend an Information Session.  
[www.nicc.edu/cpcinformationsession](http://www.nicc.edu/cpcinformationsession)
- Register and pay tuition now for the next class offering or Apply for Tuition Assistance.
- Specific CPC programs have additional requirements such as background checks, drug testing, etc.

### Tuition Assistance

Tuition Assistance is available to those who qualify within specific CPC programs. Contact us to apply today. The application process will include:

- Complete the NICC GAP application.
- Complete the National Career Readiness Certificate (NCRC) assessment. Offered at Northeast Iowa Community College or the Iowa Workforce Development offices in Dubuque and Decorah.
- Complete an interview with Northeast Iowa Community College staff.

### Program Expectations

- Attend class and work closely with your success coach to successfully complete the program.
- Apply for relevant job openings.
- If available, participate in employer sponsor interviews for part-time, entry-level jobs through our Earn and Learn program. Participants are able to gain on the job experience while completing CPC training.
- Participate in graduation.
- Secure employment in the field or continue your education in a diploma or degree program.
