

HEALTH INFORMATION TECHNOLOGY (HIT) REQUIREMENTS

Admission Requirement

Placement Assessment.

All students must complete a reading placement assessment prior to being accepted. Allowed assessments include ACCUPLACER®, ACCUPLACER NEXT GENERATION®, ACT® or completion of approved college coursework. Students should submit their high school or official college transcript or assessment results to the Admissions Office for consideration of an assessment waiver. The placement assessment must have occurred within three years of your application date. HIT applicants must meet one of the following minimum requirements for reading placement:

Reading	
ACCUPLACER®	70
ACCUPLACER NEXT GENERATION®	250
ACT®	19

Admission Status

Remediating.

Remediating students have submitted an application to the HIT program but have not satisfied the admission requirement outlined above. Students with a remediating status are not accepted into the HIT program until the reading requirement has been satisfied.

Accepted.

The HIT program begins in the fall. Students who have satisfied the minimal reading requirement are accepted to the HIT program and can register once registration becomes available.
