### **Admission Status**

#### **Remediating.**

Remediating students have submitted an application to the Medical Assistant program but have not completed one or more of the admission requirements outlined above. Students with a remediating status are not ranked on the waitlist until all requirements have been satisfied.

#### **Waitlist.**

Waitlist students have all the admission requirements completed and are waiting for acceptance into the Medical Assistant program. A waitlist is necessary due to limited capacity for program enrollment. Students are ranked on the waitlist based on the date they complete all admission requirements.

#### **Accepted.**

The Medical Assistant program begins in the fall. Students at the top of the waitlist are offered acceptance into the program and are required to respond by the stated deadline to avoid cancellation of their application. A student who refuses an acceptance offer will be placed at the bottom of the waitlist as of the date the Admission Office receives notice of their intent not to enroll.
