

MEDICAL ASSISTANT REQUIREMENTS

Admission Requirements

Placement Assessments.

All students must complete a math and reading placement assessment prior to being accepted. Requirements may be satisfied by college or high school coursework, or completing one of the following placement assessments: ACT, ACCUPLACER, ALEKS or SAT. Students should submit their high school or official college transcripts or assessment results to the Admissions Office for consideration of an assessment waiver. The placement assessment must have occurred within three years of your application date. Medical Assistant applicants must meet one of the following minimum requirements for math and reading placement:

ACCUPLACER® Reading	70
ACCUPLACER NEXT GENERATION®	250
ACT®	19

Math	
ALEKS®	14
ACT®	16
SAT®	430

Admission Status

Remediating.

Remediating students have submitted an application to the Medical Assistant program but have not completed one or more of the admission requirements outlined above. Students with a remediating status are not ranked on the waitlist until all requirements have been satisfied.

Waitlist.

Waitlist students have all the admission requirements completed and are waiting for acceptance into the Medical Assistant program. A waiting list is necessary due to limited capacity for program enrollment. Students are ranked on the waiting list based on the date they complete all admission requirements.

Accepted.

The Medical Assistant program begins in the fall. Students at the top of the waiting list are offered acceptance into the program and are required to respond by the stated deadline to avoid cancellation of their application. Students who refuse an acceptance offer will be placed at the bottom of the waiting list as of the date the Admission Office receives notice of their intent not to enroll.
