

## HEATING AND AIR CONDITIONING | PEOSTA

### Admission Requirements

#### Placement Testing.

Heating and Air Conditioning applicants must satisfy the math placement test requirement prior to being accepted. Requirements may be satisfied by college or high school coursework, or completing one of the following placement assessments: ACT®, ALEKS® or SAT®. Students should submit their high school or official college transcripts or assessments results to the Admissions Office for consideration of an assessment waiver. The placement assessment must have occurred within three years of your application date. Heating and Air Conditioning applicants must meet one of the following minimum requirements for math placement:

- ALEKS® minimum score: 14
- ACT® math minimum score: 16
- SAT® math minimum score: 430

### Admission Status

#### Pending Requirements.

Students with a pending requirements status have submitted an application to the Heating & Air Conditioning program, but have not completed the admission requirement outlined above. Students with a pending requirements status are not ranked on the waitlist until the requirement has been satisfied.

#### Waitlisted.

Waitlist students have the admission requirement completed and are waiting for acceptance into the Heating & Air Conditioning program. A waitlist is necessary due to limited capacity for enrollment in the program. Students are ranked on the waitlist based on the date they complete the admission requirement.

#### Accepted.

The Heating & Air Conditioning program begins in the fall each year. Students at the top of the waitlist will be offered entry into the program and will be required to respond to the Admissions Office if they are interested in enrolling to avoid cancellation of their application. A student who refuses an acceptance offer will be placed at the bottom of the waitlist as of the date admissions receives notice of their intent not to enroll.

Program Costs	Heating & Air Conditioning -
Tuition & Fees	\$10,752 in-state* \$12,144 out-of-state*
Books	\$1,200
Tools	\$1,500-\$3,500
