The College strongly encourages you to periodically check the appropriate credentialing, licensing, and if applicable, employer websites to verify current standards and monitor changes to these standards.

Background Checks

Northeast Iowa Community College utilizes the Iowa Department of Administrative Services' Single Contact Repository (SING) for background checks. The SING check includes criminal history, child abuse, dependent adult abuse, sex offender and other public or civil offense record checks in Iowa. National record checks are completed based on fingerprints. These fingerprint-based checks are completed by the FBI, accessing the national criminal database. Each candidate's history will be evaluated by the College, and if applicable, the Iowa Department of Human Services. Until this evaluation is complete and approved, the student will be denied field experience in the Early Childhood program.

The background guidelines listed below were established based on Iowa Administrative Code (IAC), Human Services [441], Chapter 109 (<https://www.legis.iowa.gov/DOCS/08-22-2012.Chapter.441.109>). Students identified as meeting the below criteria have the potential of being denied acceptance to any of the Early Childhood/Child Care programs.
