Credit for military experience

Credit may be granted to veterans for educational experiences completed in the Armed Forces of the United States. Credit may be awarded for successful completion of technical or specialized training attended while on active duty to the extent that is applicable to program content.

The College considers the recommendations for credit in the Guide to the Evaluation of Educational Experiences in the Armed Services of the Office of Education Credit of the American Council on Education (ACE).

Students are required to provide the Admissions Office with an official military transcript. An official transcript for Army, Coast Guard, Marine Corps, and Navy can be requested through the Joint Services Transcripts (JST) at https://jst.doded.mil. Official transcripts from the Air Force can be requested at www.au.af.mil. Transcripts should be mailed to:

Courses which correspond to an equivalent NICC course are transferred at face value and may be used to fulfill program requirements.

- Courses over five years old may be transferred in upon approval of the academic dean.
- Grades for courses transferred to NICC are not computed in your grade point average (GPA).
- There is no fee to award credit for transferred coursework.
